

Your Voice Matters

Chris Atherton
Director of Adult Social Care
Nottingham City Council

Meeting 3

Are you an unpaid carer supporting an adult in Nottingham City?

Come and have a cuppa with Chris to share your experiences of Adult Social Care and your views on the draft Adult Social Care Strategy

Chris is keen to come and speak with you, unpaid carers, to hear about your experiences of adult social care in Nottingham so he can better understand what is working well and what could be improved.

This session will also focus on the draft strategy, giving you the opportunity to hear about proposed changes and share your views.

Your voice is important. This is an opportunity to help shape the direction of Adult Social Care support in Nottingham for you and your loved ones.

If you attended a previous session, we would really welcome your involvement again.
