

## **Request for Carer Involvement**

Once completed please send this form to [carersspacenotts@nottinghamshirecarers.co.uk](mailto:carersspacenotts@nottinghamshirecarers.co.uk) so we can share your request with our carers.

### **Project Name/Title:**

Involvement in social work education at the University of Nottingham

### **Date:**

07/06/2023

### **About the project:**

The Centre for Social Work is looking for people with knowledge and experience of social work to be part of our programme for students. This is for students completing a Bachelors or Master's degree who are training to be qualified social workers.

### **What specific tasks would you like carers to help with?**

- Interviewing people wanting to study social work at the University.
- Doing role plays and assessing student's 'readiness to practice' – looking at their communication skills.
- Being involved in teaching and learning – talking about your experiences and what skills and knowledge helps social workers 'make a difference'. This could be for part of a session or a whole day led by you.

### **How long will these tasks take?**

This can vary. Some of the interviews might be booked for a whole day. Some of the involvement in teaching could be around what you are able to contribute. Some teaching could be part of or all a whole day for one of our 'skills days'.

**How can carers express interest? (Please provide contact details)**

Contact [Helen.Smart@nottingham.ac.uk](mailto:Helen.Smart@nottingham.ac.uk).

Or please send a phone number and I will call you back.

**When is the deadline for recruitment (if applicable)?**

There is no deadline for recruitment.

Some opportunities may depend on the timetable around teaching.

We would welcome chances to talk to people about all opportunities and other ideas for involvement.

We would discuss payment / expenses.
